SURVEILLANCE IN ENGLAND, FRANCE, ITALY, GREECE

1. ENGLAND.

**PAPPAS, PHD STUDENT, NOT
FAVORABLE TO EINSTEIN, UNDER
SURVEILLANCE, IN LONDON**

PANOS PAPPAS, HOLDING A STATE OF GREECE SCHOLARSHIP, WAS DOING A PHD, IN THE UNIVERSITY OF LONDON IN 1973, ON A SELF PROPOSED SUBJECT, BASED ON THE WRONG CLAIM OF EINSTEIN THAT SPACE AND TIME ARE EQUIVALENT!

BUT HOW ONE MAY CLAIM THIS, IF TIME IS ONE DIMENSIONAL AND SPACE IS THREE DIMENSIONAL, A FACT THAT IS COMPLETELY DIFFERENT IN MATHEMATICAL LANGUAGE? THAT PERIOD, PAPPAS DECIDED TO CORRECT THIS WRONG CLAIM OF EINSTEIN BY RISING TIME TO 3 DIMENSIONS, MAKING SPACE TIME REALLY EQUIVALENT, AN ENTITY OF SIX DIMENSIONS. THIS SUBJECT WAS REVOLUTIONARY AND MUCH SUPERIOR AND CORRECT THAN EINSTEIN'S WHO WAS SUGGESTING OF $3+1=4$ DIMENSIONS FOR SPACETIME, INSTEAD, THE CORRECT 6 DIMENSIONS FOR HAVING SPACE AND TIME REALLY EQUIVALENT $3+3$ DIMENSIONS EQUAL TO SIX.

SOON, AFTER THE AYTHOR'S FIRST PUBLIC PRESENTATION OF HIS THEORIES WHICH HE HAD TO MAKE ALL PHYSICAL QUANTITIES COMPATIBLE TO 4 DIMENSIONS OBSERVED ONES, AND THUS CORRECTING EINSTEIN.

HE NOTICED THAT HE BECAME THE SUBJECT OF A CLOSE SURVELLANCE./

ABANDONING HIS PHD THESIS BECAUSE OF BEING SCARED

THE YOUNG THEN PAPPAS BECAME VERY SCARED, NOT KOWING WHO THEY WERE AND WHAT THEY WANTED, PARTICULARLY BECAUSE HE WAS AWAY FROM HOME IN FOREING COUNTRY AND NOT HAVING MANY CLOSE FRIENDS.

SO HE DECIDED TO LEAVE FOR HOME, AS SOON AS POSSIBLE, SILENTLY AND SECRETELY AS POSSIBLE.

ONE MORNIG HE LOADE HIS CAR WITH HIS BELONGINGS, PICKED THE PHONE TO MAKE APHONE CALL TO HIS MEDICAL DOCTOR, REQUESTING AN URGENT APPOINTEMENT AS HAVING SOME KIND OF CHICKEN-POX.

AFTER OF A LOT PRESSURE AND PERSISTENCE,THE APOINTEMENT WAS THE SAME DAY SOME IN THE MORNIG.

PAPPAS WAS ALMOST SURE THAT HIS PHONE WAS MONITORED AND THE FOLLOWERS WOULD WHERE HE SHOULD GO, GETTING OUT THAT MORNING.

PAPPAS TOOK HIS LOADED CAR AND DROVE TO DOVER GOING TO CALAIS FRANCE. EVERYTHING WAS PEACEFUL AND ARRIVED TO FRANCE.

2. IN FRANCE FOLLOWED IN FRANCE

PAPPAS PLEASED THAT HE MANAGED TO MISLEAD HIS FOLLOWERS, IN PARIS, WHERE A FREND K. D. LIVED, PAPPAS WENT TO VISITE AND TO LET HIM BE THE FIRST TO KNOW THAT HIM WAS ON THE GO FOR HOME, FOR THE REASONS JUST EXPLAINED.

PAPPAS TOOK THE AUTOROUTE PARIS-LION.

EVERY INITIALLY WENT AND PAPPAS DROVE CAREFULLY AND SLOWLY, LOOKING BEHIND AND EVERY WHERE FOR FOLLOWERS.

HE THEN NOTICED A VAN WITH A BIG INCRPTION "OLIDA" WAS FOR AVERY LONG TIME BEHIND HIM. THEN PAPPAS BCAME SUSPICIOUS AND DECIDE TO RUN A TEST. THE VAN SLOWED DOWN TOO, REMAINING BEHIND HIM. THEN PAPPAS VERY SUDENLY SPEEDED UP. THE LORRY

VAN TOO. THEN PAPPAS SLOWED AGAIN. THE LORY TOO. THEN FAST AGAIN, THEN LORRY VAN TOO. AS MANY TIMES, PAPPAS CHANGED HIS SPEED, THE LORY WAS ACTING ACCORDINGLY, AS IT WANTED TO BE BEHIND AND CLOSELY TO HIM. THERE WAS NO DOUBT THAT THE LORY FOLLOWED HIM CLOSELY.

THEN PAPPAS DECIDED TO ESCAPE. BEFORE A RIGHT TURN OF THE ROAD.

THE ATTEMPT OF KILLING HIM BY CAUSING AN ACCIDENT

PAPPAS SPEEDED UP, AS MUCH AS HE COULD.

PAPPAS BRAKED SUDDENLY DOWN AND TURNED SUDDENLY INTO A PARKING LOT WITH TREES. PAPPAS PARKED HIS CAR IN SPOT NOT VISIBLE FROM THE ROAD, BELIEVING THE LORY HAD NOT SEEN HIM. HE STAYED THERE HIDDEN FOR ABOUT AN HOUR. THE LORY WAS NOT VISIBLE ANYWHERE. THEN PAPPAS CONSIDERED HE SHOULD HAVE PASSED AWAY BY NOW. PAPPAS DECIDED TO MOVE SLOWLY AND CAREFULLY. HE RE-ENTERED THE AUTOROUTE NOT SEEN THE LORY ANYWHERE. PAPPAS DROVE HAPPILY AND RELAXED UNTIL WHEN HE HEARD BAMB ON HIS LEFT OF HIS REAR BAMB. SOMETHING HAD HITTED HIM. HE LOST CONTROL OF THE CAR, DRIVING IT ZIG-ZAG. FINALLY THE CAR HITTED AGAIN THE RIGHT IRON BARRIER OF THE ROAD. SOMETHING DEVELOPED SPEED AND QUICKLY OVERTOOK HIM.

PAPPAS LOOKED AND SAW THE "OLIDA LORY" THAT SPEED QUICKLY AWAY.

FINALLY PAPPAS MANAGED TO HOLD THE HIS CAR WITHOUT BEING WOUNDED ONLY ON THE CAR THERE WERE REAR AND RIGHT SIDE MARKS.

SOON THE TOLL POST APPEARED TO HIM WITH THE LORY JUST PASSING THEM QUICKLY TO DISAPPEAR.

PAPPAS DECIDED TO REPORT ACCIDENT TO THE FRENCH POLICE, IT SHOULD BE PRESENT BY THE TOLL POST.

REPORTING THE ATTEMPT TO THE FRENCH POLICE

PAPPAS STOPPED AT THE TOLL POST. HE WAS RIGHT, THERE WAS POLICE STATION THERE. FRENCH POLICE CONSIDERED THE MATTER EXPAINED TO A GROUP OF 15 POLICEMEN, SURROUNDED HIM TO LISTEN, VERY SERIOUSLY, BUT ALSO TO BE AWARE OF THE MATTER SOMEHOW.

WE CAN NOT ANYTHING THEY REPLYED. WE ARE RESTRICTED BY INTERNATIONAL AGREEMENTS, THEY ADDED. WE SUGGEST TO YOU TO RETURN TO PARIS, WHERE WE CAN OFFER YOU SOME PROTECTION. I REPLYED, I WANT TO REACH HOME, GREECE, UNLESS YOU AREST ME YOU CAN TAKE ME PARIS. NO, WE CAN NOT DO THAT, THERE IS NOTHING AGAINST YOU. THEN I WANT TO LEAVE. WAIT A MINUTE, TELLS THE ROUTE YOU WILL FOLLOW TO INFORM THE ITALIAN POLICE FOR EXAMPLE, I WILL THE NEXT DIRECTION TO ITALY, WHICH IF I KNOW WELL, IT IS SAN MONI. THEN DIRECTION TO ANCONA, TAKE THE FERRY BOAT. NO THEY REPLYED, YOU DO NO GO VIA SEA. IT IS TOO DANGEROUS. YOU UNDERSTAND! OK, I WILL GO, THEN, VIA YOGOSLAVIA. OK., LET US ESCORT YOU TO THE BORDER. FOLLOW US. WE STARTED, ONE POLICE CAR WAS IN FRONT OF ME AND ONE BEHIND. WE REACHED THE BORDER, THEY SALUTED ME. HAVE A SAFE JOURNEY, WVE INFORM THE ITALIAAN POLICE, THE TOLD ME AND LEFT. I LEFT ENTERING ITALY WHERE I TOUGHT I BETTER BUY SOME GASOLINE.

3. ITALY

♦ DRIVING THROUGH ITALY

- ♦ AS I ENTERED ITALY, THERE WAS A GASOLINE STATION. I FILLED THE TANK, AND I TOOK A RECEIPT WHICH I PUT IN MY POCKET AUTOMATICALLY. BEFORE STARTING OUT, I THOUGHT, IF SOME BODY FOLLOWS ME, HE WILL HANG AROUND, IF I WAITED FOR A WHILE AND DO NOT LEAVE IMMEDIATELY. INDEED, I PAR CKED THE CAR IN A SPOT WITH A WIDE VISIBILITY. I WAS RIGHT. SOME CAR LOOKED TO ME, SUSPECIOUS. I TRIED TO MEMORIZE IT AND I DECIDE TO START OUT. I WAS RIGHT, THE SUSPICIOUS CAR STARTED UOT TOO, FOLLOWING MEBUT SOON IT DISAPEARED FROM MY VIEW. I MADE THE THOUGHT THERE WERE AT LEAST TWO WITH RADIO, ALTERNATING THE CLOSE SURVELLANCE, SO THAT NOT TO BE CONTINUASLY THE SAME CAR BEHIND ME. APPROACHING VENICE, I NOTICED THE FIRST SUSPICIOU CAR BEHIND ME. I WAS RIGHT AGAIN. SOON DIRECTION OF VENICE APPEARED ON THE ROAD. I KNEW THE CITY VERY WELL, I DECIDE THEN TO THERE AND MAKE ANOTHER REPORT, BEFORE SOMETHING HAPPENED TO ME. I MADE THEN A TURN, THE

FOLLOWING CAR TOO THAT BY NOW I COULD RECOGNIZE EVEN ITS DRIVER. AT THE VERY ENTRANCE OF THE CITY CARS WERE NO LONGER ALLOWED. I PARKED IN THE PARKING GARAGE WHICH EXISTS FOR THIS PURPOSE ON THE RIGHT OF THE STREET ENTRANCE AND WALKED TO THE FIRST POLICEMAN I COULD FIND. I DID KNOW ITALIAN AND SPOKE TO HIM IN ENGLISH TRYING TO EXPLAIN. THE POLICEMAN INSTEAD CHASED ME AWAY, EVEN IN MY DISAPPOINTMENT TRIED SAY TO HIM SOMETHING I DID NOT CONSIDERED AT ALL, BUT ONLY SEEKING PROTECTION. I AM CRAZY, "LUNATIC", I SAID. THE POLICEMAN UNDERSTOOD AND LAUGHED CHASING ME AGAIN AWAY.

AT THAT TIME I SHOW THAT DRIVER PEDESTRIAN TO WATCH ME AND TRYING TO HIDE. IN MY PANIC AND GREAT DISAPPOINTMENT, I DECIDED WHAT TO DO. I WALKED BACK TO MY CAR. I TOOK IT, DROVE IN THE OPPOSITE DIRECTION OF THE TRAFFIC AS WHEN I WAS COMING. THEN RETURNED FROM THE WRONG SIDE OF THE SAME COMING STREET FOR TO MEET THE SAME THE POLICEMAN AND TO SEE ME. SOON I WAS ARRESTED AS I WANTED AND SCHEDULED THE ARREST TO GET PROTECTION AND BE SAFE FROM UNKNOWN INTENTION OF MY FOLLOWERS.

- ♦ **THE ITALIAN POLICE INTERROGATED A LOT AND NOTICED THERE WERE TWO DIFFERENT TRENDS BY THE ITALIAN POLICE.**
- ♦ **ONE TREND CONSIDERED ME INNOCENT SAYING THE TRUTH AND THE OTHER TREND CONSIDERED ME AS A TERRORIST, AND THAT ACTUALLY WAS COMING FROM SWITZERLAND. I HAD TO PUT MY HAND IN POCKET AND TO DISCOVER THAT RECEIPT I HAD PUT UNCONSCIOUSLY THERE THAT INDICATED THE PLACE OF SAN MONI I HAD BOUGHT THE GASOLINE AND TO DISPROVE THAT PART OF THE POLICE THAT WAS SAYING I WAS COMING FROM SWITZERLAND I WAS A TERRORIST. THAT WAS A VICTORY OF MY DEFENCE THE ITALIAN POLICE TREATED ME DIFFERENTLY AND SUPPORTIVELY, BUT THEY WANTED TO CHECK ME MORE.**
- ♦ **FIRST THE ITALIAN POLICE TOOK ME, STRANGELY ENOUGH TO MONASTERY WHERE THE HEAD NONE INTERROGATED ME, GIVING ME THE IMPRESSION AS I WAS SOME KIND OF PROFET, SHOWING STRANGE SYMBOLS AND ASKING ME STRANGE WHICH I COULD NOT UNDERSTOOD. THEN THE POLICE TOOK TO A MENTAL WHERE THEY START TO WATCH MY BEHAVIOR AND GAVE BIG INJECTIONS. THEN THEY INVITED THE GREEK COUNSELOR WHO SUPPOSELY TRIED TO HELP ME. HIS FIRST REMARK TO ME WAS "YOU HAD AN ACCIDENT WITH A CIOCECento LONDON" TO DOUBT PRESUMABLY, I WAS A GOOD DRIVER. ACTUALLY I HAD AN ACCIDENT NOT WITH CIOCECento, WHICH IS THE ITALIAN EQUIVALENT TO A BRITISH MINI CAR. APPARENTLY, I THOUGHT, HE HAD BEEN WELL INFORMED, BY WHOM?, BUT HE WAS**

CONFUSED WITH THE “MINI” WITH THE CINQUECENTO, HE KNEW BETTER.

- ♦ **THE COUNCELOR ACTUALLY MANAGED TO TAKE FIRST MY PASSPORT, AND THEN, THE POLICE RELEASED ME AS NOTHING WAS AGAINST ME.**
- ♦ **THEN I WANTED TO LEAVE, BUT I HAD TO TAKE FIRST MY PASSPORT FROM THE GREEK COUNCELOR.**
- ♦ **I HAD TO SPEND A WHOLE DAY TRYING TO GET MY PASSPORT FROM THE GREEK COUNCELOR, WHO TRIED NOT TO GIVE IT TO ME AND DELAY ME, FOR A REASON I DID NOT KNOW. EVENTUALLY, I HAD TO THREATEN HIM, THAT I WILL REPORT HIM TO THE ITALIAN POLICE TO GET IT.**
- ♦ **EVENTUALLY, I LEFT WITH MY CAR TO ARRIVE IN ANCONA, BY 9 O’CLOC IN THE EVENING, PRETENDING I WANTED TO TAKE THE FERY, BUT AS THE FRENCH HAD INSTRUCTED ME, I HAD NO INTETION TAKING IT.**
- ♦ **AS IT WAS ABOUT 9 O’CLOCK ALL THE FERIES HAD GONE AND A NOTICE, I CHECKED, WAS SAYING THAT THE NEXT BOAT WILL BE NEXT DAY IN THE MORNING. PRESSUMAMBLY, I HAD TO GO TO A HOTEL. SO, I DID. I TOLD THE RECEPTIONIST, THAT I HAD TO WAIT FOR SOME FRIENDS BEFORE I BOOK A ROOM. AFTER HALF HOUR I TOOK THE SUIT CASE, I CARRIED WITH ME AND SECRETELY, I WALKED TO MY CAR. I STARTED THE ENGINE AND WITH THE LIGHTS ALWAYS OFF, I DROVE ILLEGALLY AND SLOWLY OFF, WITHOUT APPARENTLY TO BE NOTICED.**
- ♦ **I WAS DRIVING HAPPILY AND PEACEFULLY, THINKING THAT MY FOLLOWERS WOULD BE RELAXING AND SLEEPING, EXPECTING TO MEET ME AT THE FIRST FERY TO GEECE TOMORROW MORNING, ME DRIVING AWAY TO GREECE VIA YOGOSLAVIA, AS INNDEED I WANTED AND HAVING FOOLED THEM.**
- ♦ **INDEED, ALL THE JOURNEY VIA YOGOSLAVIA WAS PEACEFUL, NOTHING SEEMED TO FOLLOW ME, UNTILL I ARRIVED TO THE GREEK BORDER.**

♦ 4. GREECE

♦ APPOINTMENT AT THE GREEK BOARD ENTRANCE

- ♦
- ♦ **AS APPARENTLY HAD FOOLED MY FOLLOWERS FOR THE SECOND TIME AND THEY WERE UNABLE TO TRACE ME, THEY ARRANGED**

OUR NEXT MEETING POINT, THE SECURE ENTRANCE TO GREECE AT THE YUGOSLAVIA-GREECE BORDER.

- ♦ **WHEN I ARRIVED AT THE GREEK CUSTOMS, THE GUARD ADDRESSED TO ME IN A QUESTIONING TONE AND POINTING TO ME, "PYTHAGORAS?", MEANING OBVIOUSLY MATHEMATICIAN? I REPLIED TO THE UNEXPECTED AND SURPRISING QUESTION, "YES", DO YOU KNOW ME?, BUT, I DO NOT KNOW YOU! TO MY SURPRISE HE ANSWERED SEMI-QUESTIONING "PAPPAS!"**
- ♦ **OBVIOUSLY HE WANTED TO MAKE SURE THAT I WAS PAPPAS, WHOM HE WAS TOLD TO EXPECT AND NOTICE WHEN I SHALL BE ENTERING!**
- ♦ **I ENTERED AND TOOK THE ROAD TO ATHENS. OF COURSE NOW A CAR WAS ALL THE WAY FOLLOWING. APPROACHING ATHENS BY THE SUBURB OF KIFISIA, I DECIDED TO DO SOMETHING AND MY FOLLOWER LOOSES ME.**
- ♦ **I TURNED SUDDENLY IN THE NARROW STREETS OF THE SUBURB KIFISIA. SUDDENLY AND UNEXPECTEDLY TO ONE VERY NARROW, ONE CAR AND ONEWAY STREET, CONTRARY INDICATION. THE UNFORTUNATELY AND FORTUNATELY MANAGED TO FOLLOW ME, BUT FOR VERY LONG. THE STREET TERMINATED, WAS A BLIND NARROW STREET. SO, I HAD TO STOP AT THE END. I GOT OUT OF MY CAR WALKED TOWARDS THE FOLLOWING ME CAR AND SAID TO THE DRIVER, IN GREEK AND LOUFGING, ENOUGH YOU FOLLOWED ME, NOW I HAVE TO FOLLOW YOU. REVERSE AND LEAVE, THE STREET LEADS NOWHERE, IT IS BLIND. I FOLLOW YOU I REVERSE!**
- ♦ **THE DRIVER REALIZING THAT HE WAS NOTICED BY ME TO FOLLOW ME, HE DISAPPEARED. ON THE OTHER HAND THERE WAS NO MORE REASON. WHERE ELSE I WAS GOING?-HOME.**
- ♦ **SO, I ARRIVED HOME AND I WAS WITH MY PARENTS.**
- ♦ **NEXT DAY, WE HAD AN UNEXPECTED VISITOR, WHO CAME TO MEET MY PARENTS AND SAY TO THEM I WAS CRAZY AND NEEDED HOSPITALIZATION. THE MOST IT SURPRISED ME WAS THE FACT THAT HE HARRIED AND HIS INTEREST TO COME ALL THE WAY FROM VENICE, OBVIOUSLY, PAYING A FLIGHT. HE PROMISED TO COME NEXT DAY, OBVIOUSLY, TO SEE WHAT HAS HAPPENED, DID HE CONVINCE MY PARENTS? IN THE MEAN TIME, I TOLD MY PARENTS "NEXT TIME HE COMES, TELL HIM TO GO TO HELL! AND TELLING NEVER COME AGAIN, EXPLAINING TO THEM ALL THE RECENT EVENTS. SO, MY PARENTS DID NEXT DAY, WHEN HE CAME. NEVER TO SEE OR HEAR FROM HIM AGAIN!**
- ♦ **IN A FEW DAYS A FORGOTTEN FRIEND OF PAPPAS C.S. APPEARED SUDDENLY TO HIM, WHO WAS DRAFTED IN THE MEAN TIME, IN THE GREEK ARMY AND WORKING IN THE SECOND OFFICE- (INTELLIGENCE DEPARTMENT OF THE ARMY). C.T. CLAIMED CAME**

TO SEE ME AS HE MISSED ME AS AN OLD FRIEND. ACTUALLY TO ASK ME STRANGE QUESTION THAT OBVIOUSLY, HE WAS INSTRUCTED TO FIND OUT. ON THE OTHER HAND IT WAS IMPOSSIBLE TO KNOW I WAS BACK SINCE A FEW DAYS AND WHAT THE RUSH ABOUT AND THE EXTRA ORDINARY INTEREST.

- ♦ **AMONG HIS FIRST QUESTIONS WAS DID YOU HAVE MODIFIED THE ENGINE OF YOUR CAR? NO, WHY I ASKED SURPRISED.**
- ♦ **THE BIGGEST SURPRISED CAME WHEN HE KNEW ABOUT THE ACCIDENT I HAD IN LONDON, A FEW YEARS AGO THAT NO BODY IN GREECE SHOULD KNOW.**
- ♦ **HOW THAT ACCIDENT WITH THE MINI CAR HAPPENED? WAS IT YOUR FAULT? NOT AT ALL WAS MY FAULT. I ANSWERED. IT WAS NIGHT RAINING. THE ROAD BECAME UNEVEN IN FRICTION. BECAUSE THE PLASTIC WHITE STRIPS THAT WERE PLACED ON IT TO SEPARATE THE LANES, INSTEAD PAINTING THE STREET AS IN EVERY OTHER COUNTRY DO, ACTUALLY ALL THE BRITISH WHITE STRIPS WERE LATER REMOVED FOR THIS VERY REASON, I HAD THAT ACCIDENT!... AND OTHER SIMILAR TO THIS KIND QUESTIONS... NEVER SHOWED UP AGAIN, LEAVING ME WITH IMPRESSION OF THE OBVIOUS ROLE, THAT HE HAD UNDERTAKEN, AND THAT HE PERFORMED VERY BADLY.**
- ♦ **IN ATHENS PAPPAS NOTICED THAT NO LONGER MONEY WAS ENTERING HIS LONDON ACCOUNT. THE STATE FOUNDATION DIRECTOR K.M. HAD DISCONTINUED HIS SCHOLARSHIP.**
- ♦ **PAPPAS CONTACTED THE FOUNDATION TO FIND OUT THIS WAS BECAUSE HE LEFT THE PLACE OF HIS STUDY-LONDON.**
- ♦ **THIS ALSO SURPRISED PAPPAS, SINCE PAPPAS NOTIFIED NO BODY, INCLUDING THE UNIVERSITY OF LONDON AND THE STATE FOUNDATION OF SCHOLARSHIPS.**
- ♦ **ON THE OTHER HAND, EMPLOYEES OF THE FOUNDATION HAD ADVISED US THAT THERE WAS NO NEED TO NOTIFY THEM FOR A SHORT ABSENCE OF LEAVE.**
- ♦ **MY ABSENCE FROM LONDON WAS INDEED SHORT BY THIS TIME!**
- ♦ **THE DIRECTOR OF THE FOUNDATION ADMITTED THAT THE ACTION OF DISCONTINUING THE SCHOLARSHIP WAS ARBITRARY, BUT ALSO SAID THERE WAS NOTHING, HE COULD DO THEN. INSTEAD, AS HE WAS ALSO DIRECTOR FOR THE BRITISH SCHOLARSHIPS FROM GREECE TO ENGLAND, HE WARRANTED A BRITISH SCHOLARSHIP TO ME, IF I ONLY APPLY FOR IT.**
- ♦ **PAPPAS NEVER APPLIED FOR SUCH A SCHOLARSHIP.**
- ♦ **INSTEAD, PAPPAS OBVIOUSLY UNDERSTOOD AGAIN WHAT WAS BEHIND THE ARBITRARY ACTION OF THE STATE FOUNDATION OF SCHOLARSHIPS.**
- ♦

◆ UNREGISTERING FROM UNIVERSITY OF LONDON TO REGISTER UNIVERSITY OF ATHENS

- ◆
- ◆ FROM ATHENS, PAPPAS, INSTEAD, WROTE TO UNIVERSITY OF LONDON THAT HE WANTED TO UNREGISTER FOR HIS PHD, AS HE PLANNED NOT TO RETURN AGAIN TO LONDON
- ◆ THAT TIME, HE APPLIED AT THE UNIVERSITY OF ATRHENS FOR CONTINUING HIS PHD. THIS WAS LEGALLY NECESSARY FOR IT WAS ILLEGAL TO BE REGISTER AT TWO UNIVERSITIES FOR THE SAME SUBJECT AT THE SAME TIME. HE WAS ACCEPTED. HE ONLY HAD TO CHANGE THE LANGUAGE OF HIS PHD THESIS INTO GREEK FROM ENGLIS, AND HE HAD TO WAIT AND BE ENLORED FOR AT LEAST TWO FOR HAVING THE RIGHT TO SUBMIT THE THESIS. SO HE DID.
- ◆ HE SUBMITTED THE THESIS IN 1979.
- ◆ HE HAD TOMAKE A PLUBLIC PRESENTATION ACCORDING TO THE THE REGULATIONS WHICH HE MADE AT THE AMPHITHEATER OF SLONOS 114, MAY 14, 1979, IN THE PRESENCE OF MANY PROFESSORS WHO MADE HIM VARIOUS QUESTION AND EXAMINED HIM. FINALLY THE RESPOSSIBLE PROFESSOR FOR HIS PHD G.P. CONGRADUTED HIM AND PUBLICLY SAID THAT PAPPAS WAS WORTHY FOR RECEIVING A PHD. THIS WAS THE FORMAL OF SUCCEEDING AND FORMALLY IT WAS A MATTER OF 10 DAYS TO RECEIVE HIS PHD TITLE.
- ◆ THAT PUBLIC LECTURE AS THE LONDON ONE APPARENTLY BECAME DISASTEROUS FOR MY PREVIOUS FOLLOWERS BECAME ALERT TOO FOR THE SAME APPARENT REASONS BECAME ALERT FIST IN LONDON
- ◆ PROFESSOR G.P. FOUND AN EXCUSE TO SAY THE PROCESS OF MY PHD WILL CONTINUE NEXT ACADEMIC YEAR AS THE SUMMER WAS NEAR. ACTUALLLY, PROFESSOR G.P. WROTE ME A LLETER TO SAY GOOD WORDS ABOUT EINSTEIN. THIS LETTER TOBE POSTED HERE AS SOON IT WILL BE LOCATED. PROFESSOR G.K.TOLD ME CONFIDENTALLY HE IS PRESSED TO ACT AGAINST ME (ΜΑΣ ΠΙΕΖΟΥΝ, ΣΥΜΠΕΡΙΦΕΡΣΟΥΥ ΚΑΛΑ ΓΙΑ ΤΟΝ EINSTEIN.)
- ◆ ACTUALLY THE ATHENS UNIVERSITY REMAINS OPEN UNTIL THE 4TH OF JULY EVERY SUMMR. I UNDERSTOOD THE EXCUSE BUT I HAVE NO CHOICE OTHER THAN TO WAIT.
- ◆ NEXT ACADEMIC YEAR, Y SUBJECT WAS FORGOTEN. EVERY BODY SEEMED TO BE NBUSY. CHRISTMASS ARRIVED AND STILL I HAD TO WAIT. RIGHT AFTER CHRISTMASS PROFESSOR G.P. TOLD ME THAT EXAMING COMETEE HAD TO CHANGE.

- ♦ THIS WAS UNHEARD, BUT AGAIN I HAD NO OTHER CHOICE.
- ♦ THE COMETEE EVENTUALLY CHANGED, BUT NOW I HAD TO INFORM AND EXPLAIN MY THESIS TO THEM AGAIN AND FOLLOW THE PROCEEDURE AGAIN FROM THE BEGINNING! EVENTUALLY I HAD TO MAKE A NEW PRESENTATION, BUT NO TIME WAS DEFINED FOR IT.
- ♦ THEN I DECIDED TO TAKE PROFESSOR G.P. AND THE UNIVERSITY TO COURT FOR ITS RULES AND FIRSTLY PUBLICIZED PROTOTYPE AND ORIGINAL PHD DISSERTATION WAS NOT ACCREDITED WITH THE DANGER NOT BE ANY MORE ORIGINAL AFTER MANY YEARS LATER
- ♦ AT THE COURT, MY LAWYER WAS THE FAMOUS LAWYER N.K. WHO TOLD ME DURING THE HEARING OF THE COURT HAD, THE UNHEARD, FORGOTTEN TO PAY THE FEES TO THE COURT (ΠΑΡΑΒΟΛΟΝ ΜΗΝΥΟΝΤΟΣ) HAD NO ALTERNATIVE OTHER THAN TO WITHDRAW WHICH HE DID. ALL THE EFFORTS WERE LOST. THANKS TO EFFORTS OF MY FRIEND M.T. AND OTHER MEMBERS OF THE UNIVERSITY, NOW PROFESSORS, THE PROCEDURE CONTINUED AFTER 5 YEARS INTERRUPTION, IN THE YEAR 1984, MAKING AN ANEW PUBLIC PRESENTATION AT THE NEW, IN THE MEAN TIME, BUILDINGS OF UNIVERSITY, AT THE UNIVERSITY NEW CAMPUS.
- ♦ THE ACADEMIC AUDIENCE, AFTER THE SUGGESTION OF PROFESSOR M.T. AND AGAINST THE NEGATIVE INTRODUCTION OF PROFESSOR N.A. ELECTED ME AS A DOCTOR WITH THE HIGHEST DISTINCTION {“EXCELLENT”
- ♦ AFTER THE ELECTION THE CYPRIOT PROFESSOR G.P. FRIEND AND COPATRIOT TO PROFESSOR G.P. TRIED TO NEGATE THE ELECTION.
THE LEGAL ADVISOR OF THE UNIVERSITY
- ♦ DECIDED THIS WAS NOT POSSIBLE AND LEGAL FOR THE PROCEEDURE WAS NORMAL AND LEGAL.
- ♦ SO, I WAS A PHD HOLDER, PERMANENTLY,
- ♦ THANKS TO MY FRIEND PROFESSOR M.T. WHO COULD NOT BE SUSPECTED BY MY EX-FOLLOWERS, IN ORDER TO ACT AGAINST ME.
- ♦
- ♦
- ♦ EVENTUALLY, THE ABOVE FACTS MADE ME CONSIDER THE UNIVERSITY OF ATHENS WAS NOT A FRIENDLY PLACE FOR ME

,MOST IMPORTANT I DID NOT KNOW WHAT BAD THINGS HAVE SAID MY EX-FOLLOWERS, OF COURSE, NOT THE TRUTH

- ♦ **SOME SIMILAR EVENTS HAPPENED WITH THE ATHENS POLYTECHNIC- A PRESTIGIOUS UNIVERSITY, PERHAPS, THE BEST OF COUNTRY, NOT REPORTED HERE.**
- ♦ **ALL THESE EVENTS MADE ME TO CONSIDER THES TWO UNIVERSITIES AS UNIVERSITAS NON- GRATA TO ME.**
- ♦ **THESE CONSIDERATION OF MINE PROMOTED ME, TO BE WITH**

THE TECHNICAL INSTITUTE OF PEIREUS.

FALSIFYING THE LORENTZ FORCE FOR**

WHICH LORENTZ INVENTED HIS TRANSFORMATIONS “THE LORENTZ TRANSFORMATIONS”, WHICH ARE THE HART, CORNER STONE OF EINSTEIN’S RELATIVITY.

NO COMPUTER SEARCH, EXCEPTIONALLY, FOR SUCH A PAPER, MAY FIND THIS PAPER.

WHY? THE ANSWER IS OBVIOUS: FOR EINSTEINN

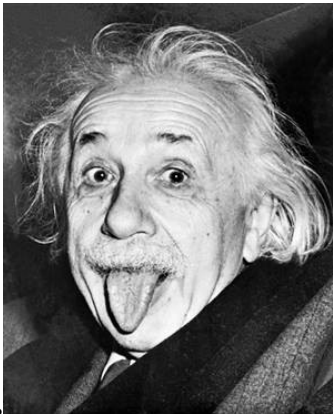

YOU MAY NOT FIND THIS FOUNDAMENTAL AND VERY IMPORTANT FOR SCIENCE, PAPER!

YOU MAY ONLY FIND IT DIRECTLY FROM PHYSICS ESSAYS AND THE ABOVE REFERENCE.

MURDER OF ANDREI MACO ORGANIZER OF AN ANTI- EISTEINIAN CONFERENCE IN MUNICH, GERMANY

SOME 10 YEARS AGO OR MORE, I DO NOT REMEMBER THE EXACT DATE, STEFAN MARINOV AND I WERE INVITED BY ANDREI MACO TO ATTEND AN ANTI-EINSTENIAN CONFERENCE IN MUNICH. ALL I REMEMBER WAS I WENT WITH MY WIFE TYOULA THERE TO FIND OUT THAT THE ORGANIZER ANDREI MACO WAS DEAD THE PREVIOUS DAY AND THAT THE CONFERENCE HAD TO CANCEL. FROM THE CONFERENCE ITS SELF I REMEMBER AN EMPTY STATE BUILDING WITH AN EMPTY AUDITURIUM AND KNOWN, NOW, PICTURE OF EINSTEIN WITH A BIG TONQUE HANGING OUT OF HIS MOUTH:

THE PICTURE THAT KILLS

THEN, I REMEMBER MY WIFE AND MYSELF WALKING AROUND IN MUNICH AS TOURISTS, TILL, WE MANAGED TO LEAVE FOR HOME.

MURDER OF CHRISTOS **ATSALOS IN LOS ANGELES**

CHRISTOS ATSALOS WAS AN IMPORTANT SCIENTIST OF GREEK ORIGIN, LIVING IN LOS ANGELES, USA, WITH HIS PARENTS ONE DAY HE WAS STRONGLY INVITED TO COME UP THE MOUNTAIN WILSON NEXT TO LOS ANGELES BY AN UNKNOWN TO HIM, PRESUMABLY, SIMILAR TO HIM SCIENTIST FOR A MATTER NOT SPECIFIED, BUT APPARENTLY, VERY INTERESTING FOR HIM. HIS PARENTS OPPOSED THE JOURNEY, PARTICULAR ON A MOUNTAIN TO MEET AN UNKNOWN PERSON. CHRISTOS FOUND DEAD...

SURVEILLANCE SECOND **PART**

SOON, AT THE TECHNICAL INSTITUTE-UNIVERSITY, I WAS APPROACHED BY AN OLDER MALE COLLEAGUE OF MINE A.P., WHO, STRANGELY ENOUGH, START, EXCEPTIONALLY, HELPING ME AND ADVISING ME, IN EVERY POSSIBLE RESPECT, AS A NEW AND UNEXPERIENCED PROFESSOR THERE FOR WHOM THERE WAS AN INTERESTED WOMAN TO BECOME HIS GIRL FRIEND. NATURALLY, SOON, WE BECAME FRIENDS.

A.P. PROMPTLY SELFVOLONTIARED-SELF INVITED TO COME TO MY HOME. SINCE THEN HE CONTINUED COMING OFTEN TO THE MY WIFE AND MY SELF STARTED TO QUESTION THIS BEHAVIOR AS TOO MUCH. THEN A.P. AS TO UNDERSTOOD OUR QUESTIONING, HE DECDED TO TALK. IT IS BETTER TO KNOW SOMETHING AND TO YOUR FRIEND, HE SAID AND TO REMAIN THIS TOPSECRET..., THAN NOT TO KNOW AND NOT BE A FRIEND AND TO COLLABORATE WITH SOME ONE WHO UNDERTOOK THE MISSION TO REPORT WHAT YOU DO DAILY! A.P. DECIDED TO TALK TO ME OPENLY THAT HE UNDERTOOK A KIND OF SURVELLANCE WITH SUBJECT MY SELF. I THOUGHT ABOUT A.P. SUGGESTION AND DECIDED THAT IN SOME WAY ANOTHER THEY DECIDE TO SURVELLACE ME. AND INDEED I WOULD BETTER TO DO IT WITH SOMEONE I KNEW AND WAS A FRIEND! AFTER SOME YEARS, A.P., UNFORTUNATELY, DIED. AND ME PERSONALLY ATTENDE HIS FUNERAL. A PIECEFULL PERIOD ELAPSED UNTIL, I REALIZED WITH THE IN THE MEANTIME, SOME BODY ELSE WAS PLAYING THE ROLE OF A,P. HE MANAGED TO BECOME FRIEND, BUT NEVER TO TALK TO ME LIKA A.P.. THIS IS FOR I WILL NOT WRITE HIS INITIALS HERE, BEARING IN MIND HE IS STIL ACTIVE, TODAY.

CONCLUSION

- ♦ **SINCE. ALL THE ABOVE EVENTS AND EVENTS OF OTHER'S, NOT KNOWN TO HIM, MAKES PAPPAS TO UNDERSTAND WHAT KEPT THE WRONG RELATIVITY ABOUT 100 YEARS ALIVE, AND THE DOUBTFUL EINSTEIN TO BE CONSIDERED AS THEMOST WISE MAN OF THE CENTURY.**
- ♦ **INDDED, SINCE WITH OBOLENSKY-PAPPAS EXPERIMENTS FIRST WE PROVED THAT SUPER LUMINAL EXISTED AND WE HAVE PUBLISHEED THE RESULTS IN A PEAR REVIEW JOURNAL (SEE SUPURLUMINAL VELOCITIES IN S.C. OF THE HOME PAGE OF THIS WEB SITE).**
- ♦ **LATER THESE RESULTS WERE RECONFIRMED A YEAR AGO, PROVOKING THE SCIENTISTS OF CERN TO DOUBPLICATE THE RESULTS BY**

THEIR OWN EXPERIMENTS. FINALLY THEY DID, AND CONFIRMED US. EINSTEIN'S RELATIVITY IS INDEED WRONG! AFTER OF A CENTURY OF IMPOSED, FORCED AND PROMOTED DOMINATION.

♦ **PAPPAS HAD ESCAPED HIS ATTEMPTED MURDER, BUT NOT HIS FRIEND STEFAN MARINOV, READ BELOW.**

♦ **STEFA MARINOV**

♦

- ♦ **Dedicated to the murdered STEFAN MARINOV, friend of mine with similar scientific ideas, thrown from the roof of Gratz UNIVERSITY. HIS BIKE FOUND BY THIS AUTHOR, NEW IT VERY WELL, NEAR THE UNIVERSITY, TIED AND LOCKED TO A STREET POLE.**
- ♦ **SOME BODY WHO IS GOING TO KILL HIMSELF, DOES NOT BOTHER TO SECURE HIS OLD, DIRTY, CHEAP BIKE!, THAT NO BODY WOULD BOTHER TO STEEL. THE ONLY CONCLUSION OF THIS IS THAT SEFAN WENT TO THE UNIVERSITY, PARKED IT, SECURED IT, AND SOME TIME LATER IN THE UNIVERSITY GRAPPED TO BE THROWN VIOLENTLY. STEFAN WAS FREQUENTLY GOING THERE, MOSTLY FOR THE LIBRARY.**

♦

SIX MONTHS LATER THE BIKE WAS STILL THERE, UNTILL THE POLICE, AT LAST, FONUND IT AND TOOK IT, AS THE AUTHOR REALIZED AND CONFIRMED.

ADDITIONAL ARGUMENTS ABOUT STEFAN'S MURDER

STEFAN CAME TO VISIT ME IN ATHENS BEFOR HIS DEATH. NOTHING COULD TELL HIS LATER DEATH. WE WERE PLANNIG TO GO TO A KOLN CONFERECE IN GERMANY, JUST THOSE DAYS HE DIED. STEFAN YOU MAKE SURE YOU MAKE THE RESERVATIONS FOR THE CONFERENCE AND LET ME PAY THERE, WHEN WE ARRIVE THERE. WE MEET SOMEWHERE NEAR ITALY OR AUSTRIA I TAKE YOU WITH CAR AND WE GO TO KOLN. O.K.? O.K.. FEW DAYS BEFORE THE CONFERENCE, I RECEIVED A POST OFFICE LETTER FROM STEFAN TO SAY THAT HE MADE THE RERVATIONS IN KOLN AND EVERY WASALRIGHT AS HAD BEEN AGREED. ABOUT NEXT DAYN I STARTED MY JOURNEY WITH MY CAR AND MY WIFE. IN THE FERY TO ITALY I WAS UNEXPLAINED, UPSET, EXTRAORDINARY ANXIOUS AND VERY UNEASY WITHOUT ME BEIG ABLE TO EXPAIN WHY. I COULD NOT REACH STEFAN WITH MY MOBILE, UNTILL WE ARRIVED AT THE PORT OF VENICE, FROM WHERE I TRIED TO REACH

STEFAN AGAIN. THERE WAS GOOD SIGNAL ONLY TO FIND OUT THAT HE COMMITTED A SUICIDE DURING THE DAY I WAS SO UNEASY IN THE FERRY AND COULD NOT EXPLAIN. I REMAINED SPEECHLESS AND DEEPLY SORRY TRYING TO BELIEVE AND EXPLAIN THE EVENT.

I CONTINUED TO KOLN ALONE WITH MY WIFE AND WITHOUT STEFAN.

IN KOLN PEOPLE KNEW ABOUT STEFAN AND START ASKING ME QUESTIONS AND WHY, MADE ME TO GIVE AN UNPLANNED LECTURE ABOUT HIM AND THE BAD EVENT.

ON MY WAY BACK I DECIDED TO GO AND STOP BY GRAZ. IT WAS THEN, WHEN I SAW THE FIRST TIME STEFAN'S BIKE. THE SECOND TIME WAS SOME SIX MONTHS LATER WHEN I VISITED GRAZ AGAIN TO HAVE A MEETING WITH THE DIRECTOR OF CRIMINAL POLICE OF GRAZ, ARRANGED BY A FRIEND LIVING IN GRAZ G.D., UPON MY REQUEST, INSTEAD OF THE GRAZ POLICE TO LOOK FOR ME, THE BEST FRIEND OF STEFAN TO QUESTION ABOUT THE DEATH OF STEFAN.

INDEED, THE DIRECTOR OF CRIMINAL POLICE BROUGHT FOR ME A BIG FILE WITH DOCUMENTS AND PHOTOCOPIES OF LOCAL NEWS PAPERS TO CONVINCE ME THAT STEFAN WAS CRAZY. I TOLD HIM I KNOW STEFAN BETTER THAN YOU AND I DID NOT COME HERE TO FIND OUT WHO WAS STEFAN, BUT I CAME TO FIND OUT THE CONDITION OF HIS DEATH, THANK YOU GOD BY!

**NOW I UNDERSTAND WHY STEFAN IS
CONSIDERED TO HAVE COMMITTED A SUICIDE.
THE GRAZ POLICE COULD HAVE EXTRACTED SO
MUCH INFORMATION ABOUT STEFAN THAT THE
DIRECTOR OF CRIMINAL POLICE WOULD NOT
DARE TO SAY TO EVERY RANDOM PERSON THAT
STEFAN WAS CRAZY AND THAT THE DIRECTOR
WAS SURE THAT STEFAN HAD COMMITTED A
SUICID.**

**FOR SURE THE GRAZ POLICE WAS, AT LEAST,
LASY AND DID NOT INVESTIGATED PROPERLY
AND QUESTION ME TO PROVIDE THEM
IMPORTANT FACTS, ABOUT THE UNEXPECTED
DEATH OF STEFAN MARINOV.**

**INDEED, THE POLICE NEVER SINCE, BOTHERED
TO QUESTION ME AND TO CONCLUDE FOR SURE
THAT, REALY, THE DEATH WAS ACTUALY A
MURDER ! SO, THE POLICE DID NOT
INVESTIGATED IT, DEEPER AND FARTHER.**

**AFTERWARDS AND LATELY, AN ADDED DETAIL
IS REPORTED HERE. SEE BELOW**

WHY THE AUSTRIAN POLICE SHOULD HIDE THEMSELVES

-

COMING BACK FROM KOLN, I PASSED BY GRAZ, ON THE WAY I BOUGHT TWO BUNDLES OF FLOWERS FOR STEFAN. THE FIRST WAS LEFT AT THE SUPPOSED PLACE WHERE STEFAN FALLEN AFTER PRESUMABLY DROP FRO THE UNIVERSITY LIBRARY, NEAR THE WALL, WE HAD FIGURED.

A NEAR BY PASSING PROFESSOR OF BIOLOGY SHOWED US AND HE ASKED US ARE THESE FLOWERS FOR STEFAN MARINOV? I SAID YES.

IT WAS ME WHO FIRST THE BODY, HE SAID TO US. HE WAS NOT NEAR THE WALL BUT FARTHER AWAY FROM IT NEAR THE CROSSING ROAD! WE TOOK THE FLOWERS FROM THE WHERE WE ASSUMED HE HAD FALLEN AND REPLACED THEM NEAR THE ROAD, WHERE THE PROFESSOR HAD SHOWN.

AT THIS VERY SPOT, HE POINTED TO US, ADDING HERE WHERE AT DARK IS VISIBLE A BRIGHTING SPOT. !

AT THAT I COULD NOT UNDERSTAND WHY THE BRIGHT SPOT. WAS STEFAN A SAINT ? I ASKED MY SELF.

LATER I FOUND BRIGHT SPOTS APPEAR TO PERSONS, POISONED WITH PHOSPHOROUS CAUSING TERRIBLE PAIN AND THE PERSO

**WANTS TO KILL HIMSELF TO GET
RELEIVED, BUT STIL STEFAN WAS NOT
NEAR THE WALL, SO STEFAN MUST HAVE
BEEN BROUGHT AND DROPPED THERE.!**

**THEN WE WALKED AT ELIZABETH STRASSE
16, WHERE STEFAN LIVED, AND TO DROP
THE SECOND BUNDLE OF FLOWERS. IT WAS
WITH ME TWO FRIENDS P.L., AMERICAN
AND G. D., AUSTRIAN**

**I RANG THE BELL OF HIS APPARTMENT,
MECHANICALLY AS USUALLY I WAS DOING.
HIS NAME WAS STILL ON THE BELL. THE
DOOR SUDENLY OPENED, SOME BODY
PRESSING THE KEY BUTTON FROM HIS
APPARTMENT!!!!**

**I WAS EXTREMELY SURPRISED NOT EVER
EXPECTING THIS REACTION FOR WHAT I DID
MECHANICALLY.**

**I MADE HALF A STEP INSITE AND STOPPED. I
COULD NOT BELIEVE WHAT HAPPENED.
DEAD ANSWER THE DOOR?**

**I RANG THE BELL AGAIN. AN ANGRY VOICE
REPLIED IN GERMAN LANGUAGE, I COULD NOT
UDERSTAND, AS TO OBJECT ME FOR RINGING
THE BELL TWICE, AND AFTER HE OPPENED THE
DOOR.**

**SUPPRISEDVTO DEATH AGAIN I REPLY AS
WOULD HAVE DONE WHEN STEFAN WAS ALIVE
AND IN THE APPARTMENT.**

STEFAN IT IS ME PAPPAS.!

NO REPLY, COMPLETELY SILENCE THEN.

WE DECIDED TO WALK UPSTAIRS, WE REACHED STEFAN'S DOOR. WE KNOCKED THE DOOR PERSISTENTLY AND MANY TIMES. SILENCE AGAIN AND NO REPLY. WE HAD NO OTHER OPTION THAN TO LEAVE. I WAS SO SURPRISED THAT I WANTED TO MAKE SURE, I WAS NOT MAKING A MISTAKE, SO WE DECIDE TO KNOCK EVERY OTHER DOOR AND ASK THE PEOPLE, DID THEY OPENED THE FRONT DOOR BY MISTAKE, ALL THE PEOPLE WHO WERE IN THEIR APARTMENTS, ANSWERED TO US SURPRISED, NEGATIVELY, "NO"

THE POLICE ADMITED LATER THAT THEY HAD OPENED THE APARTMENT AND THAT THEY HAVE BEEN IN THE APARTMENT, FOUND A WILL OF STEFAN AND SOLD HIS THINGS IN A PUBLIC AUCTION, LATER.

IF THE POLICE WAS IN THE APARTMENT, THE TIME WE VISITED, THEN WHY THE POLICE SHOULD HIDE THEMSELVES WERE THEY DOING? AND THEY WERE NOT GRASPING THE OPPORTUNITY TO QUESTION ME- HIS BEST FRIEND, WHO CAME TO VISIT HIM ?

-POLICE NEVER INFORMED HIS FAMILY FOR THE DEATH OF STEFAN.

- THE AUTHORITIES CREMATED HIS BODY THAT IS STRICTLY NOT ALLOWED FOR A BULGARIAN ORTHODOX.

- I INFORMED HIS FAMILY WITH THE HELP OF OUR BULGARIAN SERVICE WOMAN FOR OUR HOUSE.

HIS SUN MARIN MARINOV WENT TO AUSTRIA 15 DAYS AFTER THE DEATH.

A BOX WITH PRESSUMABLY THE DUST OF CREMATED STEFAN WAS GIVEN TO THE SUN BY THE AUTHORITIES THAT NO BIOPSY COULD BE PERFORMED AT ALL FOR THE BODY, THAT WAS CREMATED WITH NO PERMISSION OF THE FAMILY AND AGAINST THE CHRISTIAN ORTHODOX TRADITION AND PRACTICE OF BULGARIA, THAT STEFAN AND HIS FAMILY COME FROM .

THE CASE OF DEATH OF MY FRIEND LEON DRAGONE, A SCIENTIST WITH SIMILAR IDEAS

I CAME TO KNOW LEON DRAGONE FROM STEFAN MARINOV WHO KNEW EVERY BODY LIKE HIM AND ME, AROUND THE WORLD. LEON LIVED IN NEWYORK, HE CAME TO ME AND I WENT IN NEW YORK AND MET HIS SISTERS. EVENTUALY, LEON CAME TO ATHENS FOR LONG TIME. CHRISTMAS WAS NEAR AND LEON WANTD

TO GO BACK FOR A WEEK FOR CHRISTMASS. ONE DAY AFTER NEARLY A WEEK LATER I CALLED LEON TO FIND WHEN EXACTLY WAS COMING BACK. IT WAS ONE OF HIS SISTERS TO TELL ME LEON GOES OUT TO PICK UP HIS TICKET AND IS DUE TO LIVE COMING TO YOU A FEW HOURS LATER. OH, I WILL GO TO THE AIR PORT, WHEN WILL HE ARRIVE? SHE TOLD THE TIME... I DO NOT REMEMBER IT NOW. IT WAS SOME TIME NEXT DAY. A LITTLE LATER HIS SISTER PHONED ME BACK TO TELL ME, NOT TO WAIT LEON FOR, SHE TOLD ME, LEON WAS NOW DEAD, HAVING A MASSIVE HART ATTACK, AS PHILIP CORSO HAD AND SUDDENLY DIED. SEE BELOW THE CASE OF PHILIP CORSO.

THE CASE OF COLONEN PHILIP CORSO

**PHILIP CORSO WAS A COLONEN OF
USA AIR FORCE. HE WAS ASIGNED
TO BE HEAD OF A TEAM OF
ENGINEERS AND SCIENTIST TO
REVERSE ENGINEER THE
ROSEWELL UFO ACCIDENT IN 1947.
IN UNDERTAKING THIS COLONEN

WAS CLASSIFIED TOP SECRET,
NONE ONE ELSE TO KNOW!**

**IN DOING SO, HE DISCOVERED THE
TRANSISTOR AND THE MICROCHIP
AND OTHER THINGS THAT CAUSED
THE SCIENTIFIC EXPLOSION AFTER**

THE II WORLD WAR. HE WAS ON A TOP SECRET MISSION, BUT HE WAS INSTRUCTED TO MOTIVATE INDUSTRY AND SCIENCE TO COME SLOWLY TO THE MENTIONED DISCOVEREIS, WITHOUT REVEALING HIS REAL SOURCE OF ROSSEWELL UFO ACCIDENT. SO COLONEN CORSO DID.

AFTER 50 YEARS AND ONE DAY, EVERY CASE OR SECRET IS DECLASSIFIED. CORSO WAITED ALL THIS PERIOD OF TIME FOR THE DECLASSIFICATION OF HIS MISSION. IN 1997=1947+50 YEARS AND ONE DAY, HE STARTED A BOOK, WHICH WAS PUBLISHED IN 1999. IN EARLY JUNE 1999 PHILIP CORSO HAD A MASSIVE HEART ATTACK, FOR WHICH HE WAS HOSPITALIZED IN MIAMI FLORIDA TO RECOVER IN A WEEK COMPLETELY AND EXIT.

IMMEDIATELY, AFTER, PHILIP CORSO HAD ANOTHER MASSIVE HEART ATTACK TO DIE ON JUNE 14, 1999.

IF THIS ACCIDENT WAS AMONG THE UNIC ONES, ONE COULD UNDERSTAND, BUT IT IS AMONG OF SYSTEMATIC CASES THAT UFO SIGHTINGS ARE REDICULATED AND NAIVE EXPLANATIONS ARE GIVEN. NOT ONLY SIGHTING, BUT STRANGELY MUTILATED ANIMALS FOUND, PEOPLE WERE TAKEN BY UFO, RETURNED TO EARTH TO BE REDICULATED. A WELL DOCUMENTED UFO ACCIDENT HAPPENED HERE IN GREECE, WITH A ROBOTIC FALLEN EXTRATERRESTRIAL SPACE SHIP, SEEN AND FOUND BY THE PUBLIC (ΕΚΠΟΜΠΗ ΧΑΡΔΑΒΕΛΑ ΑΘΕΑΤΟΣ ΚΟΣΜΟΣ).

OLDER CV- 2

Dr. Panos T. Pappas Ph.D., Professor of Physics and Professor of Mathematics

Home Address: ...Athens 11744

Website: www.papimi.gr **e-mail:** ppappas@papimi.com

Born: May 30, 1947, Athens, Greece.

Education: Graduate Greek Elementary and Greek High School where he received extensive Classical Greek education in the years 1953 to 1965, a period of intense Classical erudition in Greek Education, Professor Pappas was one of the most distinguished students of Sciences on high school aptitude tests of special skills and IQ, as a student ranked in the genius category in Physics, receiving one of the highest worldwide and the top highest score in his country in the 10-year history of the School Aptitude Center of the Athens Prefecture, Greek State Scholarship for post graduate studies, Fulbright post Doctoral Scholarship.

Graduation: Graduated from the Mathematical Faculty of Athens University 1971, in Advanced Mathematics.

Post Graduate Studies: After completing his military service (1971-73), and holding a Greek State Scholarship, Professor Pappas pursued post-graduate studies leading to a PhD and then pursued research in Theoretical and Mathematical Physics at the University of London, the Imperial College, Queen Elizabeth College and the Queen Mary College. Greek State Scholarship for post graduate studies, Fulbright post Doctoral Scholarship.

Majoring In: Structure of Space Time, theories of Gravitation, General Theory of Relativity, and Special Theory of Relativity. His PhD thesis in Space Time Mathematical Physics, (titled : The Six Dimensional Space in Physics) completed in 1979, is an extension of the Theory of Relativity from a four dimensional manifold to a six dimensional one for the first time. In his pioneer PhD Thesis, the author treated time as a completely equivalent and symmetrical structure to space, producing naturally a total of six dimensions for the space and time. Since the first publication of the six dimensional theory by Professor Pappas in 1975, there has been a major interest among the Physics Community for multidimensional theories in high energy physics. As a result of his PhD thesis completed in 1979 and the published extracts in scientific journals, he received a **Honoured Doctor of Philosophy Degree with full marks from the Physics Department of the University of Athens in 1984.** Greek State Scholarship for post graduate Scholar, Fulbright post Doctoral Scholar.

Research: In 1980 after completion of his PhD thesis and research, Professor Pappas has focused his work upon the realization that the actual background of Relativity Theory that he always questioned (and really of any other of Space Time Structure theoretical system) is indeed Electromagnetism and Electrodynamics. As a result, Professor Pappas has directed all his research activity toward investigating a realistic Space Time Structure of Nature by experimenting with Electromagnetism and Electrodynamics.

Professor Pappas collaborated with the Physics Department of Athens National University 1978-1982, the Physics Department of National Technical University of Athens 1982-1986, where he transitioned from a Mathematical and Theoretical Physicist to an experimentalist in Electromagnetism, carrying various fundamental experiments. Also, collaborated with Professor Graneau of the National Magnetic Laboratory at MIT, with preliminary research and collaboration starting in the summer of 1985. The collaboration was extended to the Center of Electromagnetic Research at Northeastern University. A research award was granted by the Fulbright Program, USA, and Professor Pappas carried out a research project on Longitudinal forces in 1987. Professor Pappas has performed experiments involving **physically non-closed circuits, such as, measuring for the first time forces between radio and microwave excited antennas; experiments with fast transient electrical discharges in circuits, a phenomenon that the initial electric current flows in only one part of the circuit (effectively, involving interactions from a non closed circuit to a non closed one), which received extensive publication for the first time in the world scientific literature.**

Also, as a result of this research was the discovery of Excessive Energy Balance in Arcs (currently a hot topic), Gravitational Forces and the existence of apparent Faster-than-light Transient Signals, which received world publicity by mass media in the late 80's.

Publications: Professor Pappas has contributed as an author to numerous pioneering publications in critical areas of Physics, attends International Conferences, is regularly invited to deliver lectures in variety of disciplines all over the world, being ranked as one of the most travelled and multi talented scientists around the globe. He has lectured for many years in various universities and scientific organizations and he is currently active teaching both Physics and Mathematics at an undergraduate and graduate University level. His current hands-on laboratory experience, includes being the first Director of TEI Kalamata's) and Responsible Organizer of its Physics Laboratory operation.

Postion(s): Professor Pappas is associate Professor of Physics & Mathematics in the Technological Educational Institute of Piraeus, (Athens), Greece, was appointed and served as President (for the years 1990-1991) at a similar Institute, (i.e., the Technological & Educational Institute of Kalamata, Greece).

Consultant-Reviewer: Scientific consultant to the Lightning and Pulse Transients suppressing industry, Supervisor for various Professional Institutions at graduate and post graduate level dissertations for both Mathematics and Physics.

From the early days of his Academic career, Dr Panos T. Pappas was appointed Referee and Reviewer of Electrodynamic papers submitted to major scientific journals like Physics Letters A, Physics Essays, etc. for articles on Electromagnetism.

He is also member and advisor to a number of Scientific Institutions and Societies: Greek Mathematical Society, Greek Physical Society, General Relativity and Gravitation Society, International Tesla Society, and in 1996 was elected correspondent member of the Russian Academy of Sciences (St Petersburg).

Recent Advanced Research: His present research objective focuses on current to current, or charge to charge Electrodynamic macroscopic interactions, **leading to nuclear participation in chemical activity, i.e., low energy nuclear physics.** Professor Pappas is the warmest supporter of the Ampere Cardinal Law of Electrodynamics, which he recalled to international attention of the Physics community with a large number of publications since early 1980, after a 100 year period of the Law's oblivion. Professor Pappas believes that this law is a major law of Electrodynamics and he has proved that it covers a wider range of applications and uniquely is the basis for new atomic models, such as the ring model for the elementary particles, electron, proton, neutron, which explains cold and low energy nuclear activity- critical for biology, geology, medicine, and metallic metallaxis.

Prof. Pappas research includes as well these pioneering scientific investigations: Arching and non closed circuit Transient Phenomena and their applications;

Applications in apparent Faster than Light Signalling;

Micro-interactions at conductor interfaces and semiconductor interfaces, with obvious applications to a vast number of electronic semiconductor components; Applications in arc formations;

Plasma Dynamics; Applications concerning high current densities particularly of superconductors;

Applications in atmospheric lightning and lightning protection, (with several international patents)

Applications with electrodynamic forces in high current density antennas, and Gravitational Forces;

Applications in arc or plasma instabilities and oscillations;

Applications in non conventional energy machines comprising arc and negative resistance based phenomena, leading to devices with apparent over-unity properties, i.e. with unbalanced input to output energy (patent holder), an apparent energy/mass generation phenomenon.

Dr. Pappas is working also on the electrolytic dissociation of the water, not only as a means to produce abundant hydrogen gas, but also as a direct proof against the commonly accepted laws of thermodynamics, publishing it, pre-announcing and publicly demonstrating by experiment his views.

Pioneer Patents: Professor Pappas holds a number of active international patents, currently used in atmospheric protection industry (lightning protection systems) and medicine, in electrodynamic applications, including biological and medical applications of non-closed circuits, the dispersion of ions by non-closed-circuit electrodynamic forces, as well as, **patents for causing nuclear resonance and activation by ultra fast and very high amplitude magnetic pulses, theorizing thus the active participation of nucleus in biological and chemical reactions,** and relevant Pulsed Electromagnetic Field PEMF medical devices in production and operation world wide, are state of the art having the highest instant power – of the order 2 Gigawatts.

Most Recent Advanced Research and Related Achievements: Starting in early 80s with the study of lightning, Professor Pappas efforts have concentrated on the chemical and biological effects produced by ultra fast rising electrical current pulses with devices of his own invention - the PAP-Ion Magnetic Inductor (PAPIMI), holding many national and international patents. The invention of PAPIMI device has received several Medical approval by the European Union, CE0044, TUV NORD certifying body, by the SECRETARIA DE SALUD state of Mexico, by the Russian Federation GOSSTANDART Medical Certificate, and by the FDA, USA via IRB clinical investigation as a Principal Investigator.

This invention has been officially acknowledged as a medical device that has, also I effected remediation in a broad spectrum of applications after fourteen hard years of effort and research. Many of

the Professor Pappas research papers (and in particular the Nuclear Oximutation of Oxygen) are the outcome of the research from this invention.

The PAPIMI device is available world wide, has been presented in scientific and medical conferences. It is recently theorised that the PAPIMI device causes NMR as well as EPR, and thus may trigger or enhance low energy nuclear activity in organic and non organic matter, leading to Nuclear Biological Transmutations as principally referred by Louis Kervran and by the Nobel nominee Hisatoki Komaki. (More details may be found in the site: www.papimi.gr) The PAPIMI Device particularly leads to the hypothesis of the dual role oxygen – the so called by Pappas “Oximutation”, a nuclear reaction of Oxygen with Na as opposed to Oxygen’s known chemical reaction, called Oxidation.

The PAPIMI Device led the investigation (as a corollary of the inter-cellular energy exchanges) to a greater depth with the possibility of *nuclear-transmutational energy* being the basic means of motive power in the animal kingdom. The cell is considered for the first time as a controlled nuclear reactor, transforming nuclear energy directly into electricity, based solely on known physical principles. All the other forms of known nuclear reactions transform nuclear energy only into heat. This is a major scientific understanding that bridges nuclear theory and the energy production for the physiology of the cell in all human and animal organisms.

In the years 2001-2004, Dr. Pappas was the keynote speaker for several International Scientific Symposiums for the Medical Aspects of the Pulsed Electromagnetic Fields (PEMF) and particularly PAPIMI device.

While there has been many medical “miracles” by the PAPIMI, the much published sudden comeback of the world ski champion Herman Meier (twice World Champion in two weeks - twice Gold Victory in the World Cup in February 2003) is attributed totally to the miraculous “two month healing power” of the PAPIMI device where it was suggested by experts that it would be two years or more for a likely possibility. It is theorised that the PAIMI triggered excess nuclear energy made available to him (as it did in horse races 73 out of 75 horses became winners in a row), confirming impressively and once more the above hypotheses for the cell physiology.

Professor Pappas has been nominated for the 2004 Right Livelihood Award.

Founder Member of the World Association for Cancer Research (WACR) in the year 2006.
